**Subject:** Action Needed; Add Navy November 2018 Draft Final Work Plan & Appendixes to the Hunters Point Webpage

Dear David:

Sorry to bother you David but SCP will not allow me to do edits today for some reason. With your publisher right, can you go into the EPA HP webpage to make add the following link to the Navy's web page. Add the link to the Site Documents and Data areas in the "Featured Documents" section.

Thanks in Advance, Jackie
